Investigators Searching for Witnesses in Brutal Gaslamp Area Attack

San Diego- On August 27, 2016, at approximately 2:00 a.m., a 29-year-old male victim and his friend tried to break up a fight between several people near the intersection of 4th Avenue and Market Street. While trying to intervene, a group involved in the fight attacked the victim by kicking and hitting him in his head while he was on the ground. The victim suffered severe injuries that caused him to be paralyzed.

With the cooperation of surrounding businesses, investigators recovered surveillance videos of the assault. The videos showed several witnesses taking photos or video of the attack on their cell phones. Investigators are trying to identify these witnesses and are asking that they come forward with any information or evidence they may have.

These surveillance photos show unidentified witnesses who saw and or recorded the attack on their cell phones. None of these people are considered suspects.

Investigators are asking any of these witnesses or anyone else who witnessed this attack and has not already provided a statement to contact them at (619) 744-9534.
